# About Us

LTS Electromechanical Equipment Installation LLC is an MEP and HVAC Contracting company based in Dubai for over 20 years.

Working under the patronage of AQQ Group of Companies, LTS was primarily set up to cater the need of specialised MEP and HVAC services in villas and residential buildings.

LTS believes that customer satisfaction is the key to success and with this in mind, regular seminars and training programs are held that impart knowledge and skills to the employees.

LTS's management is well versed to applying modern project management technique essential for smooth and timely completion of the projects.

LTS Electromechanical Equipment Installation LLC is an ISO 9001 : 2015 certified company and is committed to providing superior quality products and services that meet applicable regulatory, statutory, and customer requirements by adhering to a quality management system that benefits our customers, employees and shareholders.

LTS is also certified by Security Industry Regulatory Agency.

LTS assures competitive and flexible price packages that would suit the customer's budget and needs. The company also strives to live up to customer expectation by maintaining a high quality service.

LTS is an authorised dealer for Johnson Controls International HVAC Equipment and EcoWater Systems LLC.
